# COMPLAINTS PROCEDURE

### Introduction

The College prides itself on the quality of the teaching and pastoral care provided to its pupils. As an independent school, it is a self-regulating community independent of the state system of education. The College aims to work co-operatively and in partnership with parents and students. It is recognised, however, that there will be times when issues arise that are not resolved to the satisfaction of some, and that they will wish to make a complaint.

- It is hoped that most complaints and concerns will be resolved quickly and **informally** for both parents and students.

### Complaints Procedure for Parents

#### Level 1 – Informal

- If parents have a complaint they should **write** to the Deputy Head giving full details of their complaint. If the complaint is about the Deputy Head then parents should write to the Head of Academics at the school. All contact telephone numbers and email addresses of the Senior Management team can be gained by contacting the school office or on the school website.
- Complaints made directly to the Deputy Head will usually be referred to the relevant member of staff unless it is deemed appropriate for him to deal with the matter personally. The Deputy Head will ensure that the complaint is dealt with as quickly and effectively as possible, and that parents are fully informed of the outcome.
- Once a complaint is received the Deputy Head will contact the parents concerned, normally **within 7 working days** of receiving the complaint, to discuss the matter. If possible, a resolution will be reached at this stage.
- It may be necessary for the Deputy Head to carry out further investigations.
- The Deputy Head will keep written records of all meetings and interviews held in relation to the complaint.
- Once the Deputy Head is satisfied that, so far as is practicable, all of the relevant facts have been established, a decision will be made and parents will be informed of this decision in writing. Reasons for their decision will be given.

## **Level 2 – Formal**

- If parents are still not satisfied with the decision, they should write to the Head and the Board of Directors
- The Board of Directors shall investigate fully the nature of the complaint and will obtain, from the Head of Pastoral, all the previous documentation and correspondence relating to the complaint.
- The Board of Directors will then acknowledge the complaint within **5 working days** and schedule a hearing to take place as soon as practicable and normally **within 21 working days**.
- The hearing shall include a Director and at least three other people who have not had any prior involvement with the complaint.
- The hearing shall include one person on the panel who is independent of the management and running of the school.
- If the Chair deems it necessary, it may require that further particulars of the complaint or any related matter be supplied in advance of the hearing. Copies of such particulars shall be supplied to all parties not later **than 7 days prior to the hearing**.
- The parents may be accompanied to the hearing by one other person. This may be a relative, teacher or friend. Legal representation will not normally be appropriate.
- If possible, the hearing will resolve the parents' complaint immediately without the need for further investigation.
- Where further investigation is required, the Board of Directors will decide how it should be carried out. After due consideration of all facts they consider relevant, the Board of Directors will reach a decision and may make recommendations, which it shall normally complete within **14 days of the Hearing**. The Board of Directors will write to the parents informing them of its decision and the reasons for it. The decision of the Board of Directors will be final. The findings and, if any, recommendations will be sent in writing to the parents, Head of Pastoral, and where relevant, the person complained of.

**Parents can be assured that all concerns and complaints will be treated seriously and confidentially. Correspondence, statements and records will be kept confidential under paragraph 6 (2) (j) of the Education (Independent Schools Standards) (Wales) Regulations 2003 except where disclosure is required for the National Assembly or a body conducting an inspection under section 163 of the 2002 Act requests access to any documents relating to the complaint.**

## **Complaints procedure for Students**

We value the opinions of our students highly and there are many places within the College which allow students to voice their concerns. For example; there are Student Council Representatives who attend council meetings for the school who should bring any issues to the attention of the Head of Pastoral. Students also have the opportunity during the day to talk to tutors, head of departments, matrons, to raise any concerns.

Students should expect any complaint that they may have to be taken seriously without reprisal. Any member of staff will endeavour to resolve the situation and get back to the student as soon as possible.

Complaints can also be raised informally or formally.

### **Level 1 – Informal**

- Complaints can be raised informally and verbally with a House Mistress/Master, Tutor, Teacher, Head of Pastoral, Head of Academics, Headmaster, etc. Any feedback to the student will be given within a reasonable time.

### **Level 2 – Formal**

- If the issue is very serious or the student believes that the informal complaint did not resolve the situation, then a formal complaint should be made to the Head of Pastoral.
- This formal complaint can be made in person or in writing. The Head of Pastoral will investigate the matter fully, gathering evidence and keeping a full written record. The student making the complaint will be informed of any judgement made. Once again, every effort will be made to deal with any issue raised in this way within a reasonable time.

### **Level 3 – Appeals Procedure**

- If the above procedures have been followed and the complaint has not been dealt with effectively then they may choose to ask their parents to make a complaint under the Parental Complaints Procedure.

## **Confidentiality**

As per regulation 7 (k) of the Independent School Standards

All correspondence, statements and records of complaints are to be kept confidential. *(Note this does not apply to the requirement of the school to provide parents and other interested parties with information about the number of complaints registered under the formal procedure during the preceding year, nor to inspectors conducting inspection under section 163 of the Education Act 2002, or to the National Assembly, should they ask for access to such records).*

## **Complaint Regarding the Welfare of Boarders**

Under Standard 5 of the National Minimum Standards for Boarding Schools 2003 all boarders, parents and families have the right to raise any welfare concerns or complaints. Myddelton College will be inspected regularly by the Care Standards Inspectorate for Wales and boarders have an opportunity to discuss 'life as a boarder' and can raise any matters of concern. Parents and boarders with complaints or welfare concerns can contact the Care Standards Inspectorate for Wales at any time on 0300 7900126 or visiting [www.cssiw.org.uk](http://www.cssiw.org.uk)
