

## Support India Day – Tuesday 18<sup>th</sup> May

As a school we would like your support with fun activities being held this upcoming Tuesday. During break, pupils will have the opportunity to join in some competitions and purchase some Indian inspired cakes along with some temporary Indian style transfers. Lunch will be chicken curry with a chick pea vegetarian option. All served with rice, plain nans, vegetable samosa, poppadum and chutney. During pm registration Year 11 will be playing cricket outside, organised by **John Lloyd-Williams** (Year 11, St. Patrick's House). Other tutor groups will be learning Bollywood dancing in their tutor rooms.

The main aim of the day is to raise funds so we are requesting a donation from each pupil of £2. We would also like pupils to dress bright and colourful for the day.

## Duke of Edinburgh's Award Update

A reminder from Mr Stanyer regarding the DofE Award this year:

We are looking forward to our upcoming Bronze assessments for **Year 9**, taking place on **Wednesday 19<sup>th</sup> - Thursday 20<sup>th</sup> May (9Y)** and **Wednesday 26<sup>th</sup> - Thursday 27<sup>th</sup> May (9M)**. As a quick reminder, to confirm the attendance of your child please send an email to [Mr Stanyer](#).

For those students in **Year 11** that have completed their Silver training expedition, please save this date in your diaries: **Saturday 26<sup>th</sup> - Monday 28<sup>th</sup> June**. This will be the proposed date for a Silver Qualifying

expedition, more details to follow closer to the time.

We are taking the upmost care and precaution keeping safety paramount for our students throughout these COVID-adapted expeditions whilst trying our best to give them an experience that is as true to the values award as possible.

I look forward to seeing you all on the hill!

## Boarding Update

Last weekend, the college's boarders went to Llandudno Ski Centre for some snow-tubing. Each given a rubber dinghy, the boarders were thrown down the slope by their instructor Chris. There were races between two snow-tubes, some two-person, interlocked spinning, and finally, in the case of Mr Chan, Mr Farquhar and Mr Stanyer, THREE tubes on the ice at the same time! This week, there has been the usual plethora of activities for the boarders, including a sushi-

making session on Wednesday with the ever-talented Mr Evans, and the usual Thursday rounders game, which was moved indoors due to bad weather.

This weekend, there is a trip to the newly-reopened Liverpool One shopping centre.

## Arts Update

On the last day of term, the whole college will be participating in and watching our very own Proms in the Park of Drama and Music performances. The pupils will be performing outside in the main Quad, so please send good weather requests to the Mother Nature for us!

As we will not have the space for adequate social distancing if we were to invite parents, the whole afternoon will be recorded instead and put onto the [Performing Arts YouTube Channel](#), as well as being shared via all of the College's other social media platforms.

All pupils are requested to bring a blanket or cushion to sit on whilst watching the performances on the last day of the College year.

I would also like to request the help from parents in helping with the learning of lines! Once parts, lines and sections have been assigned, all pupils will have their scripts / lyrics / movement videos in their Drama OneNote to rehearse from. Your help is very much appreciated!

## Business Update

[Miss Clarke](#) will be running a **Business Support club** on Tuesdays at 12:40 for any Year 11 or Upper VI pupils who feel they need some additional support.

This will be running on Tuesdays until the end of the examination window.

## Open Week

Our final Open Week for perspective families will be taking place week commencing 17<sup>th</sup> May. Rather than welcome a large number of prospective students and their parents to the College on a Saturday morning, we have again decided to spread a series of appointments throughout the week in order to minimise any potential infection risks. Only one family at a time will be shown around the campus and all visitors will be accompanied by a senior member of staff. They will be required to maintain suitable distances from our community, wear face coverings and we will ensure they make good use of our hand sanitiser stations. If you have friends or family considering moving their children to Myddelton College for either September 2021 or 2022, please contact [Mrs Carly Gilmour](#) via this link, or on 01745 472204 in order to book an appointment. Please note that all visitors must have a pre-booked appointment.

## LTTO Update

Year 8 have been working at Plas Newydd in Llangollen in the past two weeks as part of their John Muir award. One aspect of this award is engaging in conservation work. The students impressed the staff at Plas Newydd in their effort to rebuild a wall in the river to protect against flood damage and to rebuild a dry stone wall. In particular, the students were amazing with the dry stone walling! They did the College proud!

## BBC Young Composer 2021

Calling all young (12-18 years old) singer-songwriters, eclectic electric composers, genre-spanning songsmiths, and creative melody-makers...

The nationwide BBC Young Composer competition 2021 is now open! Students may not think of themselves as composers, but if they love to create their own original music, and are bursting with creativity, originality, and potential, then we want to hear from them. So please encourage them to enter the BBC Young Composer competition 2021.

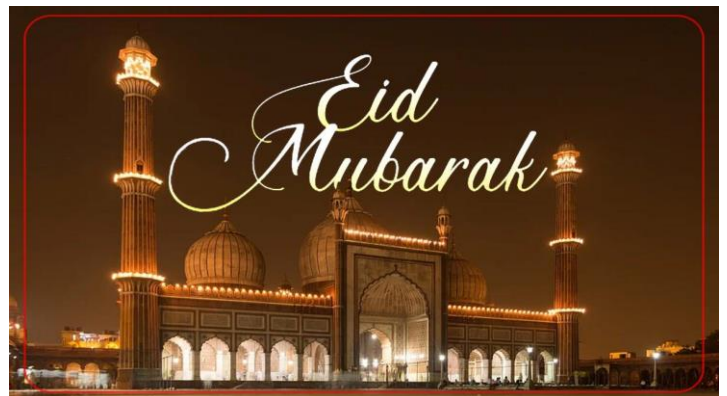

**Closing date** - 5pm on 28<sup>th</sup> June 2021.

## Preparatory School Update

This week, Upper Prep have been learning about the Mayan religion. Each pupil has made a fact file about three of the different gods. They have also dissected a flower to learn about the different parts and how pollination happens. In maths, Upper Prep have been adding and subtracting decimal numbers and, in English, have come to the end of our sentence stacking based on *The Explorer* by Katherine Rundell, very much looking forward to writing their own adventure stories next week! On Thursday, Upper Prep celebrated Eid. Malaaika, Siham and Noura taught the class about Ramadan and how Eid is celebrated.

Lower Prep have been writing non-chronological reports about badgers in English. In topic, they have been learning how to read maps using a key and in science, they have been identifying invertebrates in our local environment.

Star of the week: **Tilly Hughes** (Year 5, St. David's House) for representing Upper Prep at the pupil parliament meeting and for exceeding her reading target this week.

### Matteo's 5K-a-day

Thanks for taking the time to visit my JustGiving page.

My name is Matteo and I live in North Wales. Every year around this time, I do something to remember my nonno (grandad) Nicola who died of blood cancer on 10th May 2017.

This year I have decided to run 5km every day in May. I know this year has been difficult for so many people, but please donate if you are able. I would love to be able to raise lots of money for Macmillan again this year because I want to help other people affected by cancer. Maybe one day, cancer will be a thing of the past.

Please help me reach my target of £250.

Thank you!

Matteo

If you would like to donate to **Matteo** (Year 7, St. George's House), please follow this [link](#).
