Preparatory School Update

Both classes have enjoyed beginning their new topics this term!

Lower Prep have begun their 'Wild Wales' topic and Upper Prep will be learning about 'The Amazing Americas'.

All prep school pupils have been learning about classification in science. Upper Prep produced some fabulous classification charts and, in art, have been using clay to create model animals. Lower Prep have created some fantastic rats based on the character Ratty from *Wind in the Willows* and Upper Prep have created clay monkeys inspired by the Mexican artist, Frida Kahlo.

To celebrate Earth Day on Thursday, Prep School created a whole college picture which will go on display in our activity room and made individual promises to help 'Restore Our Earth'.

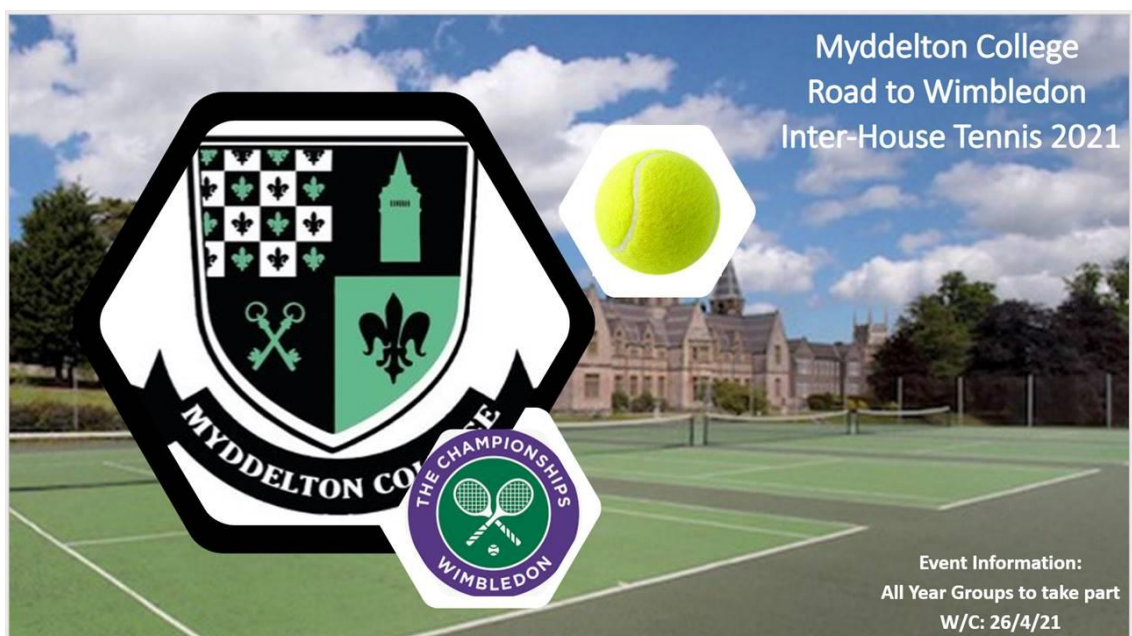

Star of the Week: Sophia Corbett for being an excellent role model and consistently demonstrating fellowship.

Friends of Myddelton

Myddelton College Uniform Request

Friends of Myddelton would like to reach out to all parents and guardians to request any of your children's old uniform. With children not wearing their uniform at present there are probably lots of barely worn uniforms that may no longer fit! If you can hold onto these items until we are able to return, that would be greatly appreciated. We are happy to do a straight swap for clothing in a reasonable condition. All clothing sold via Friends of Myddelton will be steam cleaned, bagged and labelled to comply with COVID measures.

Treasurer Required

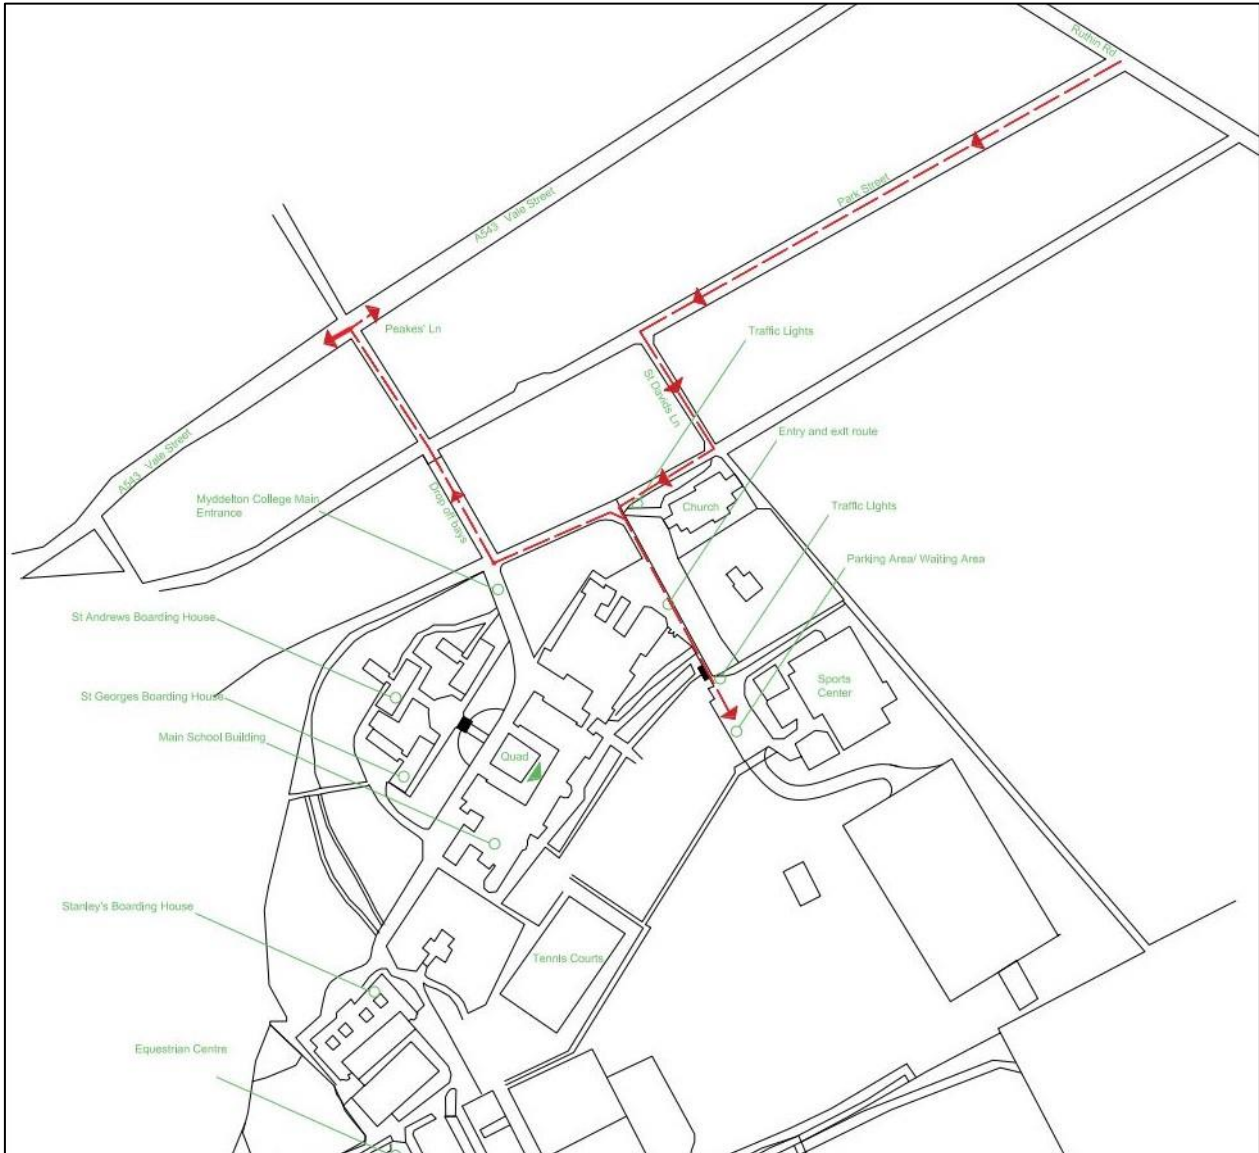

Friends of Myddelton are currently looking for a treasurer to join our fun, friendly team. If you are interested, please email [Catherine Frith | Chair](mailto:Catherine.Frith@myddeltoncollege.com) or text 07738998690.

One Way System Reminder

Parents are respectfully reminded that vehicular access to the College ought to be via Park Street (in accordance with the arrows indicated on the map). Please exit via Peake's Lane, turning right or left onto Vale Street as required. With very narrow local roads, the adherence to a one-way system supports good traffic flow and public safety.
