Expeditions Update

From Mr Eastabrook

As previously mentioned, there are two expeditions planned for 2022. Mr Eastabrook has compiled some information regarding the two trips and would welcome an email from any parents wishing to discuss the expeditions further before students can apply for places. Applications will open in September with early notice now, so that students can start working their summer jobs to fund them. Please contact [Mr Eastabrook](#) for more details.

In **February 2022**, we are pleased to run **Ski Trip!** Students will depart and arrive back from College for a week of Europe's finest slopes. Equipment hire, lessons and support will be offered to those wishing to learn, with more freedom for the more experienced skier around. This is an experience I would encourage everyone to undertake at least once. There are limited spaces, and places will be awarded by application once they open in September. I cannot recommend a ski trip like this enough, as one of the most affordable ways to get into the mountains and experience the thrill of skiing, learning a new skill and going away with you friends. The cost of this trip is £999 per student, which is good value, considering lift passes to access the mountains represent 25% of this cost.

In **July 2022**, we are proud to launch Myddelton College's inaugural expedition to the mighty **Yukon River, Canada**. It is a wild place, rich in history and an ideal place for an expedition in a true sense of the word. Students will be spending 12 days descending the river, wild camping along the way, covering 450km along the Teslin and Yukon Rivers. During this time, the student will use their adventure skills to live effectivity and undertake one science-based and one arts-based project.

The trip will be aiming to return to the UK following the end of term. This will give us great weather and ideal river levels for the trip. We will be away for 16 days that gives us a couple of traveling days, a couple of days to get our supplies organised for the trip and a day of R&R before our return. A full itinerary will be developed by the students. Similarly, in September 2022, the students will host an evening for all to report back on their arts and science projects. The cost of the trip will be £2,750 plus students may need to purchase a few items for the trip. While this is a lot of money, British Exploring run this trip for £3,500 plus flights so is good value for the programme and experience on offer.

Duke of Edinburgh's Award Expedition Update

From Mr Stanyer

For those students in **Year 11** that have completed their Silver training expedition, please save this date in your diaries: **Saturday 26th - Monday 28th June**. This will be the proposed date for a Silver Qualifying expedition, more details to follow closer to the time.

We are taking the upmost care and precaution keeping safety paramount for our students throughout these COVID-adapted expeditions whilst trying our best to give them an experience that is as true to the values award as possible.

I look forward to seeing you on the hill!

Performing Arts Update

From Mrs Hughes

On the last day of term, the whole college will be participating in and watching our very own Proms in the Park of Drama and Music performances. The pupils will be performing outside in the main Quad, so please send good weather requests to the Mother Nature for us!

As we will not have the space for adequate social distancing if we were to invite parents, the whole afternoon will be recorded instead and put onto the [Performing Arts YouTube Channel](#), as well as being shared via all of the College's other social media platforms.

All pupils are requested to bring a blanket or cushion to sit on whilst watching the performances on the last day of the College year.

I would also like to request the help from parents in helping with the learning of lines! Once parts, lines and sections have been assigned, all pupils will have their scripts / lyrics / movement videos in their Drama OneNote to rehearse from. Your help is very much appreciated!

Spanish Update

From Miss Alos

Pen Pal Schools

This Half Term, Students from Year 7 to GCSE are starting a beautiful project on the online platform [Pen Pal Schools](#).

Pen Pal School connects over a quarter of a million students from 150 countries to learn together! Students collaborate through online projects whilst practising literacy. Students are only invited by a verified teacher, Miss Alos. Teachers and parents can follow their progress.

Firstly, our Myddeltonians will learn about aspects of the Hispanic World such as daily life there, food and popular culture.

See what your child shares
with peers around the world.

Enroll your child in
collaborative topics.

Monitor your child's
discussions.

See the lessons that your
child reads.

Then, using only Spanish, pupils create their own profile and write about their own country and town, life (food, hobbies, traditions, etc.). Practising all the grammar and vocabulary studied this academic year and will consolidate all their learning thorough this fantastic project. They will also have to read opinions written in Spanish by other students from around the world and reply to at least 3 of them.

As a parent you can join your child on PenPal Schools to motivate them!

If you are interested in joining, as a parent to support and encourage your child, please contact [Miss Alos](#).

LTTO Notice

From Mr Eastabrook

Gorge-scrambling students (**7M, 8M and 9M**) will need full LTTO equipment, including their walking boots, waterproof top and trousers AND a complete set of spare clothes (including trainers AND a bin bag for wet clothes).

We suggest that students have jogging type bottoms, fleecy trousers or warm leggings on their bottoms and, a non-cotton base layer and jumper for the top half and their Myddelton hoodie/top. We will speak to students before their gorge-scrambling lesson too.

Preparatory School Update

From Miss Gresley-Jones

The Prep school did a fabulous job in their sports day this week. Thank you so much to Mr Pearson for organising such a great day. All pupils gave each race 100%, despite the rainy weather, and made their houses extremely proud.

This week, Upper Prep have begun their new maths unit on 'shape, space and measure'. So far, we have focused on accurately measuring angles with a protractor and calculating angles from known facts. In English, we have planned our independent newspaper articles ready to write them next week. Our geography focus this week has been on weather and climate. We looked at the different climate zones and biomes across the Americas to understand why the conditions vary so greatly.

Lower Prep have been very busy too! In

English, they have written a set of instruction to help the *Wind in the Willows*' characters take back Toad Hall. In maths, they have started their unit on geometry and have explored angles and triangles this week. In science, they looked at the life cycle of a flowering plant.

Star of the week: **Billy Evans** for his super work on calculating angles in maths.

Uniform Guidelines

As we are returning to uniform in September please see the attached Uniform Guidelines, the guide also includes the School Shop Direct opening details and contact information.

Boarding Update

From Mr Farquhar

This week has been The Boarding Schools' Association's *National Boarding Week*, and so this week we decided to introduce the inaugural Myddelton Boarding Olympics between the two houses, Stanley's and George's. Throughout the week, we have been creating flags and banners and on Thursday night, we spent two hours going through lots of events such as the Egg and Spoon Race, Welly Wanging and more. In the end, George's House emerged victorious after a good showing in the team events, such as Tug of War and Capture the Flag. This weekend, we will top off a great week with a trip to Laser Tag in Llandegla!

End of Year Photographs

There is an opportunity to purchase end of year photographs (see below) as well as a whole-school collage. From this week, Year 11 and Upper VI photos are available for £10, which can be added to the school bill. Other photos will be available over the next two weeks. If you would like to purchase, please contact [Mr Pearson](#) no later than Monday for them to be ready for the Graduation Ball.

BBC Young Composer 2021

Calling all young (12-18 years old) singer-songwriters, eclectic electric composers, genre-spanning songsmiths, and creative melody-makers...

The nationwide BBC Young Composer competition 2021 is now open! Students may not think of themselves as composers, but if they love to create their own original music, and are bursting with creativity, originality, and potential, then we want to hear from them. So please encourage them to enter the BBC Young Composer competition 2021.

Closing date - 5pm on 28th June 2021.

For more information, head to [BBC Young Composer 2021](https://www.bbc.com/young-composer).

Pony Stars

EXCITING NEWS - Our very own Pony Stars group will start in September. Led by Rosemary Clarke a BHS Accredited Professional Coach, pupils will have the opportunity to spend time in Myddelton Equestrian Facility.

Pony Stars will cover topics such as grooming, welfare, mucking out and riding skills. It's not just about pony care and riding, the Pony Stars programme includes so much more – covering loads of really practical topics that we think any parent or guardian would value their child learning about, such as the countryside, farm animals, kindness, leadership, conservation, feed the birds, being green and healthy mind. As part of the programme, each child will receive their very own My Challenge Book to log their achievements. As they progress through the various challenges there will be stickers, badges, certificates and rosettes.

We are very excited to announce that our “Pony Stars” programme in association with the British Horse Society is set to start on the 7th of September and is open to all students. Prices are £40 per half term based on a 6-week programme.

Team training and weekly riding lessons for those with ponies is also due to start on this date. For more information please contact equestrian@myddeltoncollege.co.uk.

Future Event Invitations

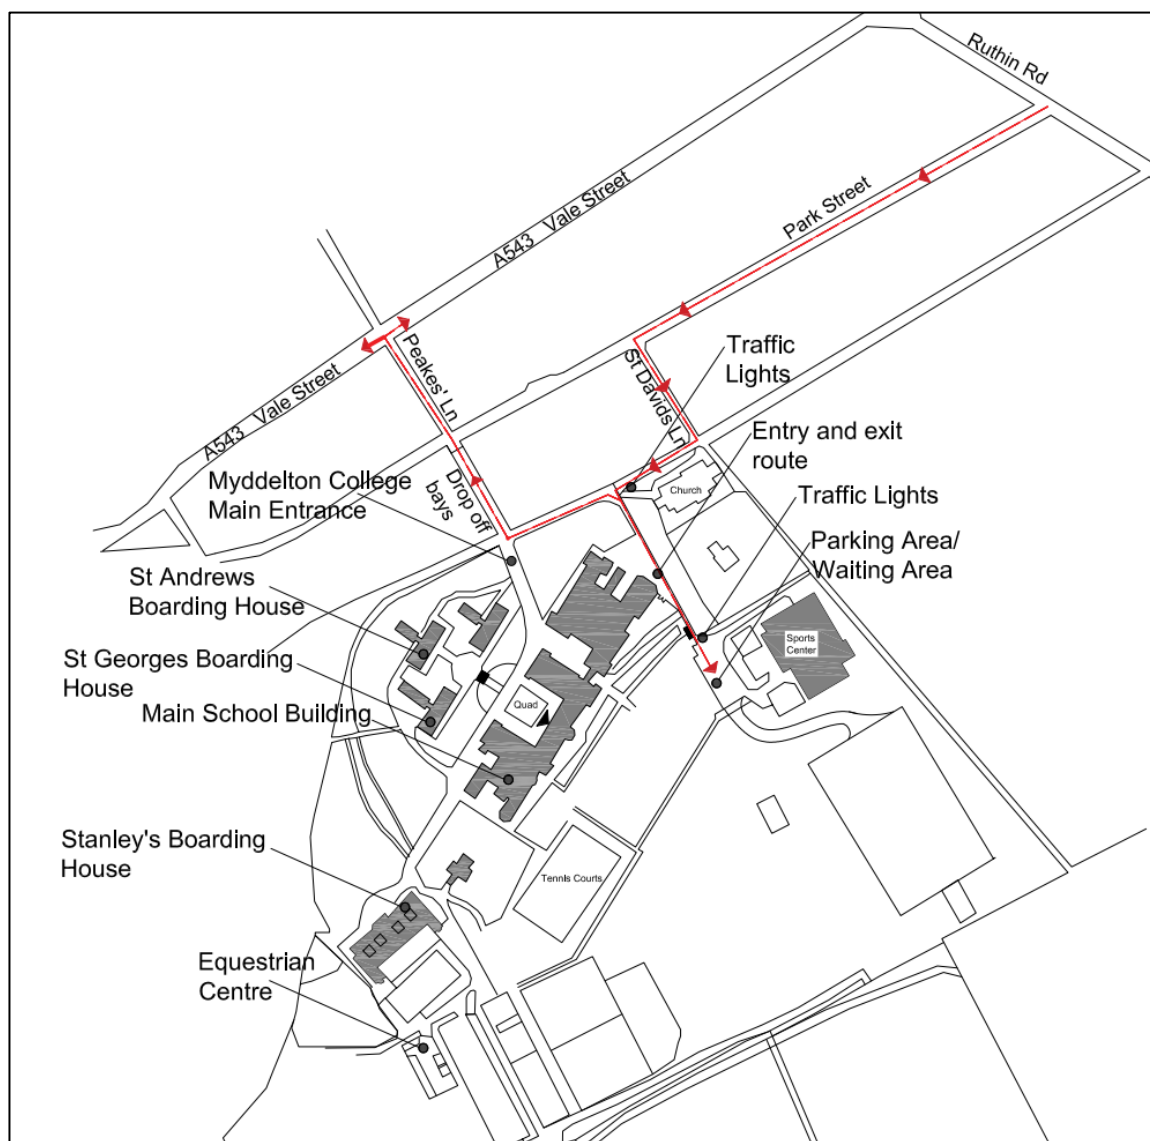

Face-to-Face University and Apprenticeship Fair (Autumn 2021)

Both **Manchester University** and **The University of Liverpool** are now hosting face-to-face University and Apprenticeship Fairs this autumn.

These free, exciting and informative events provide attendees with the opportunity to speak to a multitude of exhibiting universities and apprenticeship providers. These will include; the Russell Group, red brick, modern institutions, as well as many of the UK's biggest apprenticeship providers and local colleges. The fair is for students in **Year 11 and VI Form**.

Leaflets for the Manchester event – the earlier of the two - will be attached alongside this week's Bulletin.

One-Way System Reminder

Parents are respectfully reminded that vehicular access to the College ought to be via Park Street (in accordance with the arrows indicated on the map). Please exit via Peake's Lane, turning right or left onto Vale Street as required. With very narrow local roads, the adherence to a one-way system supports good traffic flow and public safety.
